Travel insurance

Travelinsurance.co.uk is a trading name of Insure & Go Insurance Services Ltd. Insure & Go Insurance Services Ltd are authorised and regulated by the Financial Conduct Authority.

This document is only valid when issued with an InsureandGo validation certificate and as long as you have paid the appropriate insurance premium. Please keep these documents in a safe place and carry them with you when you travel.
Declaration of medical conditions

InsureandGo Travel Insurance contains health restrictions. You must read the following important information.

Medical exclusions

If, at the time of purchasing this policy or when booking a trip, the following criteria apply to you or anyone insured under this policy, you will not be covered for any claim arising directly or indirectly from that medical condition:

Health questions

To see if we can provide cover for any pre-existing medical condition, you must either complete the online medical screening step as part of your online purchase or call our Medical Screening Line on 0330 400 1213. You may have to pay an extra premium to include cover for any pre-existing medical conditions.

If anyone insured under this policy answers ‘Yes’ to any of the following questions when this insurance is purchased, or when booking a trip, this policy will not cover any claim arising directly or indirectly from that medical condition, unless you have told InsureandGo about the condition and they have accepted it (See Definitions of ‘Medical condition’ and ‘Pre-existing medical conditions and linked conditions’ on page 13).

Please note: - It is vital that you answer each question honestly and accurately, taking care not to make any misrepresentation of the facts, as inaccurate answers may result in underwriters declining any claims costs that, as a result, may arise.

Please note: We will not cover any claim directly or indirectly linked to any declared and excluded pre-existing medical conditions where we cannot offer cover for the condition(s) or you have chosen not to pay the premium to provide cover.
Declaration of medical conditions (continued)

For a close relative, business associate, travel companion or person who you plan to stay with on your trip, who is not insured but on whose health your trip may depend

This policy will not cover any claims under section A - Cancelling and cutting short your holiday, that result directly or indirectly from any medical condition you knew about at the time of taking out this insurance or when booking a trip, and that affects:

- A close relative (see Definition on page 12) who is not travelling and is not insured under this policy;
- Someone travelling with you who is not insured under this policy;
- A business associate; or
- A person you plan to stay with on your trip.

Subject to the terms and conditions, such claims may only be covered if the patient’s doctor is prepared to state that at the date you bought this policy or of booking a trip, he/she would have seen no substantial likelihood of his/her patient’s condition deteriorating to such a degree that you would need to cancel your trip. If the doctor will not confirm this, your claim is not covered. In the event of a claim the doctor must complete the medical certificate on the claim form.

Changes to your health/medical condition (applies to Annual Multi-Trip policies only)

If after purchasing this policy, any person named on the policy develops a new medical condition or has a change in a medical condition that has already been declared to us, which means that you are unable to agree the declaration on page 2, you must contact the InsureandGo Medical Screening Line immediately on 0330 400 1213.

Cover will automatically continue for any trips you had booked prior to the change in your health providing you are not travelling against medical advice or to get medical treatment abroad. If your change in health means you cannot continue with your pre-booked trip, you may be entitled to claim for the cost of cancelling your trip. For further trips you wish to book, we will tell you if the change in your health will affect your insurance and if cover can continue; we may amend the terms of your policy or cancel it providing you with a pro rata refund of premium.

Pregnancy and childbirth

We provide cover under this policy if something unexpected happens. In particular, we provide cover under section B – Medical and other expenses for injuries to the body or illness that was not expected.

We do not consider pregnancy or childbirth to be an illness or injury. To be clear, we only provide cover under sections A, B and C of this policy, for claims that come from complications of pregnancy and childbirth. Please make sure you read the definition of ‘Complications of pregnancy and childbirth’ on page 12.

Emergency medical assistance (see ‘What to do - Medical and other emergencies’ on page 10)

We will help you immediately if you are ill or injured outside the home area you live in (or the final country of your journey if you are on a one-way trip).

Medical cover does not apply to treatment received in your home area (see Definitions on page 12), England, Scotland, Wales, Northern Ireland and the Isle of Man or the final country of destination if you are on a one-way trip.

We provide a 24 hour emergency service 365 days a year, and you can contact us on the following numbers:

Emergency phone number: +44 (0)207 748 0063
Emergency fax number: +353 91 501619

You must contact MAPFRE Assistance immediately, using the above contact numbers, if you go into hospital or before incurring medical expenses in excess of £500.

Key information, conditions and exclusions

The purpose of this section is to set out the significant features, benefits, conditions, limitations and exclusions of this insurance.

For a full description of the terms of insurance you will need to read all sections and aspects of this policy wording document.

If you have any questions or doubts about the cover we provide or you would like more information, please phone customer services on +44 (0)207 748 0065 or email customer.services@insureandgo.com

Age limits
Policies are only available for people aged up to and including 75 (at the date you buy the policy). There are restrictions on the length of time you can travel if you are aged 66 or over at the date you buy the policy.

Annual multi-trip policies
This gives you cover to travel as many times as you like during any one period of insurance, as long as no single trip lasts longer than 45 days (31 days if you are aged 66 or over). Under the Gold cover option the maximum length of a single trip is increased to 90 days if you are aged up to and including 65. We also provide cover for up to 17 days for winter sports during the term of your policy (or 24 days if you have arranged Gold cover).

We provide cover under all sections of this policy (apart from sections B, C, F or G) for holidays in your home area, as long as there is a minimum of 25 miles radius between your home and your pre-arranged and booked accommodation.

Everyone on an annual multi-trip policy is entitled to travel independently, but children under 18 who travel alone must be dropped off and picked up by a responsible adult aged 18 or over.

Annual multi-trip - auto-renewal service
To make sure you have continuous cover under your policy, Insure&Go will aim to automatically renew (auto-renew) your annual multi-trip policy when it runs out, unless you tell them not to. Each year Insure&Go will write to you 21 days before the renewal date of your policy, and tell you about any changes to the premium or the policy terms and conditions. If you do not want to auto-renew your policy, just call Insure&Go on 0800 083 6237. Otherwise they will collect the renewal premiums from your credit card or debit card.

Please note that your renewed policy will only be valid when:
• You have told Insure&Go about any changes to your policy details (including any changes in health conditions); and
• Your credit card or debit card details have not changed

In some cases Insure&Go may not be able to automatically renew your policy. They will let you know at the time if this is the case.

Insure&Go are entitled to assume that your details have not changed and you have the permission of the card holder, unless you tell them otherwise. Insure & Go Insurance Services Ltd do not hold your payment details. They will tell the relevant processing bank that have your payment details to charge the relevant premium to your debit or credit card on or before the renewal date.

You can tell Insure&Go about any changes to your policy details or opt out of automatic renewal at any time by phoning them free on 0800 083 6237.

Cancellations & ‘cooling-off’ period
If this cover is not suitable for you and you want to cancel your policy, you must write (either by e-mail or letter, which you can post or fax to the number below) to Insure&Go within 14 days of buying your policy or the date you receive your policy.

In line with the conditions below, they will refund all the premiums you have paid within 30 days of the date you write to them to ask to cancel the policy.

For all single trip policies that have an end date within 31 days of the date of purchase, there will be no cancellation cooling off period applicable and no refund will be payable on these policies at any time.

If you are a single trip policyholder whose cover ends more than 31 days after the date of purchase, they will not refund your premium if you have travelled or made a claim before you asked to cancel the policy.

If you are an annual multi-trip policyholder and you have travelled or made a claim before you asked to cancel the policy, Insure&Go may only refund part of the premium.

If you have not travelled or made a claim and you wish to cancel the policy within 14 days of receiving your policy documentation a full refund will be given. If you cancel after 14 days of receipt of your policy documents no premium refund will be made.

Connecting flights
We only provide cover for the first part of your outward and final part of your return journey of your trip. No cover is provided for any claim under section F – Delayed departure or abandoning your trip which relates to onward/connecting flights.

Contract of insurance
This is your travel insurance contract. It contains certain conditions and exclusions in each section, and general conditions and exclusions apply to all the sections. You must meet these conditions or we may not accept your claim.

This insurance cover provides financial protection and medical assistance for your trip.

Claims will be considered under the cover of this policy, on the condition that you have informed us of all your other insurance policies, state benefits and/or agreements, which would otherwise cover you for this claim.

In the event of your claim being accepted and settled by us, we reserve the right to recover any payment made from other insurance policies, state benefits and/or agreements, whether in full or in part.
Where these other insurance policies, state benefits and or agreements are found to be deemed as the primary source of cover, you are required to claim from those in the first instance. Notwithstanding this, if settlement has been issued by us, it does not constitute a full acceptance of liability by us, and we reserve the right to, and are entitled to, seek full or partial recovery from those other insurance policies, state benefits and/or agreements that would also cover the claim.

Most sections of your policy have limits on the amount the insurer will pay under that section. We would confirm that this policy does not replace items on a new-for-old basis. Therefore, deductions for wear and tear and loss of value will be applied to claims made under sections E, Q, R, and S.

Some sections also include other specific limits, for example, for any one item or for valuables in total. You should check your policy. If you plan on taking expensive items with you, we suggest you insure them separately under a household all risks policy.

Insure & Go Insurance Services Limited act as agents of the insurer in collecting premiums, handling refunds and settling claims due to clients, such monies are deemed to be held by the insurers with which your insurance is arranged.

The laws of England and Wales govern this insurance, unless we agree otherwise.

**Excesses**

Under most sections of this policy you have to pay the first part of any claim. This is called an excess. This will apply to each person claiming and to each incident and to each section of the policy you claim under. This amount is shown under each of the sections where it applies.

If you pay an extra premium, your policy can include an excess waiver which will remove all excesses except for the Additional sports and other leisure activities medical excess (see section U on page 33) or the Winter sports activities medical excess (see section Q6 on page 29).

For a reduced premium your policy can include a double excess, in which case all excesses will be doubled except for the Additional sports and other leisure activities medical excess (see section U on page 33) or the Winter sports activities medical excess (see section Q6 on page 29).

**Financial Services Compensation Scheme**

Insure & Go Insurance Services Ltd is covered by the Financial Services Compensation Scheme (FSCS). You may be able to get money from the scheme if we cannot meet our financial responsibilities.

MAPFRE Asistencia is covered under the Financial Services Compensation Scheme. This provides compensation in case any of its members are unable, in specified circumstances, to meet any valid claims under their policies. 90% of the claim will be met with no upper limit. Compensation is only available to commercial customers in limited circumstances.

You can get more information by visiting the FSCS’s website at www.fscs.org.uk or by writing to:

**Group policies**

If there is a group of adults who are not related and on one certificate under a single trip policy, all members of the group must travel together. The scheme will allow up to six children for each adult, but any other children must pay a full adult premium. Children under 18 must be travelling with a relative (see Definition on page 12), guardian or person who has a legal duty to care for them.

**Health agreements**

When travelling to a country in the European Union (EU) you should receive inpatient treatment in a public hospital.

You must therefore obtain a European Health Insurance Card (EHIC) prior to travel by completing an application form via www.ehic.org.uk. This allows European citizens to benefit from the health agreements between countries in the EU. (This used to be known as the E111).

If you are admitted to a public hospital, you should present your EHIC to the hospital; if you are unable to do so, you must cooperate with the medical assistance department in order to obtain one.

If your EHIC is presented to the treating doctor or hospital when receiving medical treatment within the European Union and the medical costs are reduced, the policy excess applicable under section B (Medical and other expenses) will be waived.

When you are travelling to Australia or New Zealand and you have to go to hospital, you must register for treatment under the national Medicare or equivalent scheme of those countries.

**Natural disasters and civil unrest**

**Period of Insurance**

Your holiday or journey must begin and end in your home area, (unless you have arranged cover for a one-way trip). Cover cannot start after you have left your home area.

Cover for cancellation starts from the date you book your trip or pay the insurance premium, whichever is the later, unless you have bought an annual multi-trip policy in which case cover for cancellation starts at the time you book your trip or the start date shown on your validation certificate, whichever is the later.

All other sections commence when you leave your usual place of residence or business, or from the start date shown on your validation certificate, whichever is the later, to commence the journey until the time you return to your usual place of residence or business on completion of your journey, or the end of the period shown on your validation certificate, whichever is the earlier.

Cover cannot start more than 24 hours before your booked departure time or end more than 24 hours after your return.

For a one-way trip, cover ends 24 hours after you leave immigration control in the final country you go to or at the end of the period shown on your validation certificate, whichever is earlier.
Please note: If, due to unexpected circumstances that are beyond your control and which fall under the conditions of this cover, you cannot finish your holiday within the period of insurance set out on your validation certificate, we will extend your cover for up to 30 days. We will not charge you for this.

Reasonable care
You need to take all reasonable care to protect yourself and your belongings.

Reckless or malicious acts
We will not pay for any claim arising or resulting from you being involved in any malicious, reckless, illegal or criminal act.

No section of this policy shall apply in respect of any claim arising directly or indirectly from using drugs (unless the drugs have been prescribed by a doctor) or where you are affected by any sexually transmitted disease or infection.

We do not expect you to avoid alcohol consumption on your trips or holidays but we will not cover any claims arising because you have drunk so much alcohol that your judgement is seriously affected and you need to make a claim as a result (e.g. any medical claim where in the opinion of the treating doctor, your excessive alcohol consumption has caused or actively contributed to your injury or illness).

Residence limits
You must have lived in the United Kingdom or the Channel Islands for at least six of the last 12 months, before you bought or renewed your policy.

Single trip
A single return holiday or journey of up to 365 days if you are aged 65 or under, beginning and ending in your home area. We will only cover you for up to 31 days for each trip if you are aged 66 or over.

We provide cover under all sections of this policy (apart from sections B, C, F or G) for holidays in your home area, as long as there is a minimum of 25 miles radius between your home and your pre-arranged and booked accommodation.

Please note: (Single trip policies only)
It does not matter how long you buy cover for, it ends when you return to your home area. The only exception to this is if you have paid the appropriate extra premium to arrange home visits. This means you can return to your home area before the return date for the number of trips you have told us about when you arranged the insurance.

This will be shown on your validation certificate. Each trip home cannot last for more than 14 days and your cover ends while you are in your home area. Your cover starts again when you leave. Cover is not available for the cost of the return flight if you are returning to make a claim, and cover is not available for any flight costs if you returning because of an issue that you are not insured for. To arrange a home visit please call us on +44 (0)207 748 0065.

Sports and other leisure activities
You may not be covered when you take part in certain sports or activities where there is a high risk you will be injured. Please see section P on pages 26-27 of this booklet for information about dangerous or sporting activities that are covered at no extra premium under this policy (that you do not have to tell InsureandGo about).

Please also refer to section U on page 33 for details of those activities for which if you require cover, you will need to tell InsureandGo about and pay an extra premium.

What to do? - Medical and other emergencies

Hospital treatment abroad
If you go into hospital abroad and you are likely to be in hospital for more than 24 hours, someone must contact us for you immediately. If they do not, we may not provide cover and we may also reduce the amount we pay for medical expenses. We reserve the right to relocate you from one hospital to another.

Important note: You should also refer to ‘Health agreements’ on page 9 if you are receiving treatment in an EU country, Australia or New Zealand.

If you receive medical treatment abroad as an outpatient, you should pay the hospital or clinic and claim back your medical expenses from InsureandGo Travel Claims when you return to the United Kingdom or the Channel Islands. If your outpatient treatment is likely to cost more than £500, you must contact us immediately.

Returning early to your home area
We must agree for you to return to your home area (or your final country of a one-way trip) under section B (Medical and other expenses) or section A (Cancelling and cutting short your holiday). If we do not agree, we will not provide cover and we may reduce the amount we pay you to return to your home area (or the final country of a one-way trip).

A note to all insured people, doctors and hospitals
This is not a private medical insurance. If you need any medical treatment, you must tell us immediately or we may not guarantee medical expenses. If you need any medical treatment, you must allow us or our representatives to see all of your medical records and information.

Please be aware that if you accept the offer of private treatment (inclusive of treatment in a private room) without our specific authorisation, you will be liable for the cost.
What to do? – Claims information

Medical claims
If you receive medical treatment for an injury or illness, you must get a medical certificate that shows the details of the injury or sickness and any bills you have paid. If you go into hospital abroad and you are likely to be in hospital for more than 24 hours, someone must contact us for you immediately.

Claims for delayed baggage and losing or damaging baggage, money or personal belongings
You must tell the relevant transport company if your personal belongings are delayed, lost, stolen or damaged. You must also get a property irregularity report (PIR) from the transport company. If you do not tell the airline or transport company within three days of the event, we may not be able to pay your claim. If you lose any money or personal belongings or if they are stolen, you must report this to the police (and hotel management if this applies). You must also get an official written report from the police, airline, transport company and so on. If you do not tell the police (and hotel management if this applies) within 24 hours of the event, we may not be able to pay your claim.

Property claims
We pay these claims based on the value of the items at the time you lose them, unless it says otherwise in your policy. (This means you will not get back all of the money you paid for the item).

Claims for cancelling your trip
You must tell the carrier, holiday company or travel agent immediately if you know the trip will be cancelled, so you lose as little as possible. If you do not tell the carrier, holiday company or travel agent as soon as you find out that you have to cancel the trip, we will only pay the cancellation charges due at the date you found out you had to cancel the trip, not from the date you tell them.

Our rights
We can, at any time, do the following:

- Take over the defence or settlement of any claim.
- Try to recover expenses or compensation from any other person or people involved (third parties) at any time in your name or in the name of anyone else claiming under this policy.
- If you claim for illness or injury, contact any healthcare specialist who has treated you for up to three years before the claim, and have full access to your medical records.

Additionally any items which become the subject of a claim for damage must be retained for the insurer’s inspection and shall be forwarded to their Agent’s upon request at your or your legal personal representative's expense. All such items shall become the property of the insurer following final settlement of the claim.

Rights of third parties
A person or company who is not covered by this policy has no right under the Contracts (Rights of Third Parties) Act 1999 to insist on any term of this policy being applied. This does not affect any right or remedy of a third party that exists or is available under this Act.

Important notice (Single trip policies only)

The only exception to this is if you have paid the appropriate extra premium to arrange home visits. This means you can return to your home area before the return date for the number of trips you have told us about when you arranged the insurance.

This will be shown on your validation certificate. Each trip home cannot last for more than 14 days and your cover ends while you are in your home area. Your cover starts again when you leave. We will pay up to the amount shown in the table of benefits if, after an accident or illness that is covered under section B - Medical and other expenses of this policy, you go into hospital as an inpatient outside your home area (or outside your final country if you are on a one-way trip). Your benefit will end if you go into hospital when you return to your home area (or in your final country if you are on a one-way trip).

Note: We pay the benefit to you for each complete 24-hour period that you are kept as an inpatient. This amount is meant to help you pay extra costs such as taxi fares and phone calls.

Special exclusion which applies to section C

Any claim that comes from pregnancy or childbirth, unless a qualified medical practitioner confirms that the claim comes from complications of pregnancy or childbirth.

Please read the general conditions and exclusions.

D - Personal accident

What you are covered for

We will pay you or your executors or administrators up to the amount shown in the table of benefits, if you are involved in an accident during your trip which causes you an injury, and this accident is the only thing that results in you becoming disabled within 12 months of the date of the accident. We will pay for one of the following:

1. Your permanent total disability caused by an accident during your trip that:
   a. stops you from working in any job you are qualified for;
   b. lasts for 12 months; and
   c. our medical advisor believes is not going to improve at the end of those 12 months.

2. The permanent loss of use of one or more of your limbs, at or above the wrist or ankle.

3. Irrecoverable loss of sight (see definition below) in one or both eyes for a period of at least 12 months.

4. If you die, we will pay the amount shown in the table of benefits on page 4 (this is limited for children aged under 18).

Please note: - You can only claim under one of the above subsections for the same event.
The following definition applies specifically to this section:

**Loss of sight**
Means total and irrecoverable loss of sight which shall be considered as having occurred:

a. In both eyes if your name is added to the Register of Blind Persons on the authority of a fully qualified ophthalmic specialist; and

b. In one eye if the degree of sight remaining after correction is 3/60 or less on the Snellen scale (which means you are only able to see at 3 feet that which you should normally be able to see at 60 feet) and we are in no doubt that the condition is permanent and without expectation of recovery.

**Special exclusions which apply to section D**
We will not cover the following:

1. An injury or death that is not caused by an accident. For example, if you die from a heart attack, we know the cause, but it is not an accident so it will not be covered.

2. A disability that was caused by mental or psychological trauma and did not involve the injury to your body.

3. A disease or any physical disability or illness which existed before the trip.

Please read the general conditions and exclusions.

**Please note:** we reserve the right to apply an additional 10% deduction to any item claimed with a value over £100, following our standard deductions for age, wear and tear and loss of value, where you cannot prove you own it or provide proof of purchase (e.g. original receipts).

2. We will pay up to the amount shown in the table of benefits for buying clothing, medication and toiletries if your baggage is delayed during an outward journey for more than 12 hours.    ii) Reasonable additional public transport costs if you are unable to make your pre booked return flight home following the loss or theft of your passport within 48 hours of your pre booked return flight home; and

F – Delayed departure or abandoning your trip

Please remember
You are entitled to claim for either delayed departure or abandoning your trip, but not for both.

This section does not apply for trips in your home area, England, Scotland, Wales, Northern Ireland and the Isle of Man.

What you are covered for
If the first part of your booked outward or final return international journeys (by aircraft, ship, cruise ship, coach or cross-channel train) is delayed because of a strike or industrial action, poor weather conditions or a mechanical breakdown we will pay for delayed departure up to the amounts shown on the table of benefits. You must be delayed by at least 12 hours on each occasion.

Abandoning your trip
If you have to abandon your outward trip as a result of a delay lasting more than 24 hours where the delay has been caused by a strike or industrial action, poor weather conditions or a mechanical breakdown, we will pay for your unused travel and accommodation expenses, including any local prepaid excursions, tours or activities, up to the amount shown in the table of benefits after any amount that you can get back is taken off.

We will pay any money under this policy after the amount of compensation you receive from the airline for the same event is taken off.

**G - Missed departure**
This section does not apply for trips in your home area, England, Scotland, Wales, Northern Ireland and the Isle of Man.

**What you are covered for**
We will pay up to the amount shown in the table of benefits for the extra reasonable costs of travel and accommodation you need to continue your trip if you cannot reach the original departure point of your trip on the outward or final return journey, as a result of public transport services failing (due to poor weather conditions, a strike, industrial action or a mechanical breakdown) or the vehicle you are travelling in being stuck in traffic, involved in an accident or having a mechanical breakdown. (This would not include your vehicle running out of petrol, oil or water, having a flat tyre or flat battery).

**Special exclusions which apply to section G**

2. Get confirmation of the reason for the delay and how long it lasts from the appropriate authority; and
